

## Club Maintenance Boat – Safety

- No person shall enter the lake in the boat unless there is at least one able bodied person that can swim is stood on the nearest bank on 'Watch' and has the means to summon additional help (Mobile Telephone) in the event of an accident.
- No person shall enter the lake in the boat who has consumed alcohol in the previous 6 hours.
- You must remove all personal affects and baggy clothing and leave for safe keeping with the person on 'Watch'.
- Prior to use, you must always inspect the boat for any defects. If the boat fails your inspection, **DO NOT USE**. Report defect to a responsible Club officer so that they can organise a suitable repair before it is used.
- **Do not** horseplay with the boat.
